### Small Group Discussions:

Applying competencies of your professional discipline, consider and discuss how the disability community historically interacts in response to the greater political, economic, cultural and practice or provider environment in which individuals receive services. Evaluate one of the (assigned) gifts and assets areas as identified by Judith Snow.

### Answer these questions:

- 1) Do you agree with Judith Snow's assessment? Why or why not?
  
- 2) What other gifts or assets can you identify?
  
- 3) What environmental changes might affect people's contributions?
